A MESSAGE FROM THE DMV WOMEN IN CONSTRUCTION COLLABORATIVE

As we celebrate our first year, we are proud to have built a community rooted in empowerment, connection, and opportunity for women across the DMV. This reception is more than an event. It is a moment to recognize the women who lead, mentor, and open doors for others, while creating new pathways for those rising behind them.

Your partnership helps us continue this work expanding access, strengthening leadership, and building a more inclusive future for our industry.

We invite you to join us in shaping what comes next.

With Gratitude,

Cely Argueta

Executive Director

Dmv Women in Construction Collaborative
